V. Proposals by Mr. Amble Annaiya Pandit, Municipal Commissioner of Fort Mohalla—

(1) That the Board should record a resolution, recognizing the excellent services rendered by Mr. A. Coopoosawmy Mudaliar, while he was Vice-President of the Municipality, as he has retired from the service.

Resolved that the following resolution be adopted and that a copy of the same be forwarded to Mr. Coopoosawmy Mudaliar.

"The Board record with great pleasure their high appreciation of the valuable services rendered to the Municipality by Mr. A. Coopoosawmy Mudaliar who has just retired from service. He was first in charge of the Municipality from 2nd May 1883 to 14th June 1886, and again from 21st February 1893 to 11th July 1894, and on both occasions he discharged the onerous work of the office with great zeal and urbanity, introduced many reforms in the internal management of the Municipal office and carried out various improvements in the City. Several applications presented by the people of the City and the Board's representation to Government for extension of his service testify to the high esteem in which Mr. Coopoosawmy Mudaliar was held hy the members of the Board and the public of Mysore.

(2) That the wording of the resolution of the Board dated 28th April 1894, reducing the water-tax on house service pipes to Rs. 25 and 15 for one inch and half inch pipes, respectively, should be revised.

Resolved that it is unnecessary to amend the wording of the resolution, but that discretion be given to the Vice-President and Executive Engineer of the Municipality to lay one inch pipes in high level localities even for half inch taps.

VI. A petition from Kemparama Pandit, Native Physician of the Karnatic Dispensary (Indigenous Hospital) at Mysore, applying for an increase of pay on the ground that by accepting this post he lost private practice and that the present pay of Rs. 25 is inadequate for his hard work.

Resolved that an increase of Rs. 15 be recommended for the favorable consideration and sanction of Government as the present pay of Kemparama Pandit is inadequate for his services, and as he has been obliged to give up all his private practice owing to his heavy work.

Adjourned subject.

VII. Letter dated 4th June 1894 and estimate dated 17th August 1894, respectively, from Messrs. W. Hutson and Dove, giving particulars for the repairs of Tower Clocks.
